

# 1 PUTTING EUROPE IN THE HANDS OF PEOPLE

New and effective civil society participation and active citizenship must be prioritised to improve democracy (including at the workplace), transparency, access to fundamental rights for all and trust of EU citizens in building a just and sustainable Europe.

All European citizens and residents shall enjoy the same level of protection and can exercise their fundamental rights and freedoms. The EU must improve its policies and actions to ensure gender equality.

# 2 EQUALITY AND HUMAN RIGHTS

The European Social Model should provide full and fair protection to all citizens, while alleviating poverty and providing opportunities for everyone to thrive. Decent incomes should narrow the gap between the wealthy and disadvantaged and ensure quality living.

# 3 STRONG SOCIAL UNION

The Paris Agreement should be fully implemented and reflected in the alignment of the EU's emissions reduction targets for 2030 and 2050 with the commitment to limit temperature increases to 1.5°C and through ambitious EU climate policies.

# 4 AMBITIOUS CLIMATE ACTION
