

## 9 EU'S ROLE IN THE WORLD

The EU has a key responsibility to achieve the 2030 Agenda for Sustainable Development. EU Overseas Development Aid should prioritize those most in need including Least Developed Countries and benefits the most marginalized. EU should be global champion on Human Rights.

Europe should assume a leading role in ensuring a human response to global migration, for the benefit and protection of all those involved. Asylum seekers should be welcomed in Europe and treated in the spirit of the UN Refugee Conventions.

## 10 PEOPLE-CENTRED RESPONSE TO MIGRATION

## 11 NEEDS-DRIVEN AND RESPONSIBLE RESEARCH

Research that is prioritized and funded today should have a decisive impact on the future of our societies and our planet. Our research should make Europe and the world environmentally sustainable, peaceful and healthy place to live.

The EU Budget should use its potential to catalyze sustainability and economic justice and wellbeing, through investment in social infrastructure, education, culture, and climate action. It should be a budget made for and with people and the planet.
