

Running for the European Elections? Want more women to vote? Here are some campaign messages from the European Women's Lobby!

Women represent 52% of the European population and yet men are over-represented in all power positions in the EU institutions. From May 23rd to 26th, you can make a change by voting for a feminist Europe. By voting for more women in the European elections. Vote for women with women's rights on their agenda. Organise and vote in masses!

My name is I am running for

Join me in pledging to create a more equal, fair and caring Europe for all! It is time for a change – vote for candidates who will take concrete actions and make a Parliament that represents the diversity of the whole European population!

Join Our Manifesto!

My name is I am running for

Let's ensure we create a sustainable women's movement! It's time to provide concrete support by allocating and implementing gender responsive budgets to realise women's rights and equality at all levels.

Every second woman in Europe has experienced sexual harassment since the age of 15. We believe that All women and girls deserve a life free from violence and free from the fear of it! Vote for a safer Europe!

My name is I am running for

I support a political agenda that puts women's economic independence at its heart! Let's work together to ensure women and men become equal-earners-equal-carers throughout their lives

We demand a better future for everyone across Europe! Let's work together to ensure that all women and girls can fulfil their potential, in a secure and supportive environment. A safer Europe for women is a safer Europe for everyone!

Feminist Pledge for Candidate!

You're the present & our future! Don't second guess your

power to make change happen! Vote for a Europe you believe in! Only days to go!

Vote for HER future in the European elections on 23-26 May 2019!
